WEBINAR

October 7, 2015 @ 10:00 AM (US/EDT)

CASANA
Better Futures for Children with Speech Apraxia

Treatment of Childhood Apraxia of Speech in Older Children

For information and registration visit www.apraxia-kids.org

APPROVED PROVIDER
ASHA CONTINUING EDUCATION
AMERICAN SPEECH-LANGUAGE-HEARING ASSOCIATION

Childhood Apraxia of Speech Asso is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. **See course information for number of ASHA CEUs, instructional level and content area.** ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

This course is offered for .15 ASHA CEU's (Intermediate level, Professional area)

Presenter:

Shelley L. Velleman, Ph.D., CCC-SLP, the is Professor and Chair of Communication Sciences and Disorders at the University of Vermont. Her teaching, research, and clinical work focus on typical and atypical speech development. She specializes in pediatric motor speech disorders, especially Childhood Apraxia of Speech in children with neurodevelopmental syndromes. She is the author of many articles and three books on these topics.

Disclosure: Disclosure: Dr. Velleman is a member of the Professional Advisory Board of the Childhood Apraxia of Speech Association of North America. She receives no compensation as a member of CASANA's Professional Advisory Board, but will receive compensation for this presentation There are no other relevant financial or non-financial relationships to disclose.

Course Abstract

School-aged children with CAS have special needs that may be less obviously associated with apraxia. These are often intertwined in more subtle ways with other aspects of their lives, such as academics, than those of younger children. In this webinar, we will discuss some of these needs and how SLPs can address them.

Learning Objectives

As a result of this Webinar, participants will be able to:

⇒ Describe articulatory, prosodic, grammatical, and literacy challenges of older children with CAS.

⇒ Describe articulatory, prosodic, grammatical, and literacy intervention strategies for older children with CAS.

⇒ Describe educational and social-emotional advocacy and supports for older children with CAS.

Timed Agenda

Minutes 1 - 15	Residual articulatory challenges & intervention
Minutes 16 - 31	Prosodic challenges & intervention
Minutes 32 - 47	Grammatical challenges & intervention
Minutes 47 - 62	Literacy challenges & intervention
Minutes 63 - 73	Educational and social advocacy and supports
Minutes 73 - 90	Wrap up and Questions and Answers

Registration Information

Regular Registration: $35 Registration with ASHA CEU's: $50

CASANA charges an additional fee of $15.00 for those professionals who want CASANA to process and submit continuing education information to ASHA. The additional fee is retained by CASANA and is not an ASHA fee.
