CHILDHOOD APRAXIA OF SPEECH: A Multi-Sensory Approach to Achieving Speech Outcomes

Featured Speaker:
David W. Hammer, M.A., CCC-SLP

January 18, 2013
The Citadel
Holliday Alumni Center - Media Room
69 Hagood Avenue
Charleston, South Carolina 29403

COURSE ABSTRACT

This hands-on, practical, therapy-rich presentation will focus on strategies for therapists that facilitate verbal communication for children with apraxia of speech. An overview of evaluation considerations and how they relate to therapy decision-making will be presented. The majority of the presentation will be intervention-based, with a wide range of therapy ideas described. A multi-sensory approach to therapy will be detailed. Extensive videos of children in therapy will be used to highlight strategies and suggestions for carryover outside of the therapy setting.

LEARNING OBJECTIVES

At the end of this course participants will be able to:

- List key differential diagnostic features for childhood apraxia of speech.
- Identify principles of motor learning that guide therapy decisions.
- List effective multi-sensory therapy strategies for children with CAS.
- Outline therapy activities for repetitive practice.
- Describe how to enhance parent involvement and home

COURSE LEVEL

Intermediate/Professional Area. Participants are expected to have some prior academic and/or clinical experience with children with severe speech disorders. Families are most welcome at the workshop with the understanding that the level of presentation will be at the intermediate professional level.

ASHA CONTINUING EDUCATION CREDIT

APPROVED PROVIDER

Childhood Apraxia of Speech Asso is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

This course is offered for .65 ASHA CEU's (Intermediate level, Professional area)

ASHA CE REGISTRY

An annual ASHA CE Registry fee is required to register ASHA CEU's. ASHA CE registry fees are paid by the participant directly to the ASHA National Office. The annual ASHA CE Registry fee allows registration of an unlimited number of ASHA CEUs for the calendar year. Contact the ASHA CE staff at 800-498-2071, ext. 4219 for CE Registry fee subscription information.

PRESENTER PROFILE

David W. Hammer, M.A., CCC-SLP, is the Manger of Outpatient Speech and Language Services at the Children's Hospital of Pittsburgh of UPMC, PA. He has over 30 years of pediatric clinical experience, with specialty interests in childhood apraxia of speech and severe articulation/phonological disorders.

David has been invited to present workshops on apraxia of speech throughout the United States, Canada, and Australia. He is a member of the CASANA (Childhood Apraxia of Speech Association of North America) Advisory Council. David was a member of the ASHA AdHoc committee on childhood apraxia of speech. He has been involved in the production of a number of apraxia-related DVD's and an innovative children's CD. David is known for his practical and therapy-rich presentations.

MORE ABOUT THE SPONSOR

Founded in 2000, The Childhood Apraxia of Speech Association of North America is the national organization representing children with apraxia of speech. CASANA exists to strengthen the support systems in each child's life, so that they are afforded the best opportunity to develop speech. CASANA does this by providing family and professional information, support, referral, education and by promoting further understanding and research. For more information see our informational website at www.apraxia-kids.org.
