

Make a donation to CASANA “In memory of Connor Millsaps”

The Millsaps family has chosen CASANA as a suggested charity for memorial donations for their beloved son Connor. CASANA is the only national nonprofit dedicated exclusively to the needs and interest of children with apraxia of speech and their families.

Our goals are to:

- ◆ Increase awareness, information and support
- ◆ Provide high quality education to families, professionals, and others
- ◆ Fund and promote state of the art research into causes and treatments of childhood apraxia of speech

Please note: Donations made in memory of Connor Millsaps will be put toward the “iPads for Apraxia” program. In this program, children from low to moderate income families are provided with iPads and protective cases. The children are able to use the iPad for speech practice as well as for a primary communication tool. Connor’s family are grateful that Connor had an iPad and would like to provide for this vital tool for other children with apraxia.
