

\$200 ONE WEEK CHALLENGE!

Welcome to the \$200 in One Week Challenge! This challenge is designed to help you grow your team by adding more members to it and to raise \$200 toward your team goal. It will require you to contact family, friends, and supporters, so prepare to send them an email, contact them on social media, send them a text, or make a call.

Participating in this challenge is a great way to jump start your fundraising and begin to tell others about your dedication to participate in the Walk for Apraxia. This challenge can also be the final touch if you are close to reaching a goal – for example, if your team is only \$200 away from raising \$1000 and becoming a Champions Club member!

How to Participate:

When you ask individuals to contribute to this challenge, be sure to share the link to your Teamraiser website for easy online registration and direct donations. Explain to supporters that you are looking for individuals to help you raise money for the Walk for Apraxia and you have certain goals you are trying to meet each day.

If an online registration or donation is not an option, that's ok! Here are ways you can accept offline registrations or donations:

- Offline Registration – visit the Toolkit tab in the Participant Center. Download and print the Offline Registration Form. Send in that form with a check or money order to Apraxia Kids.
- Offline Donation – keep track of donations on the form below. Send in the \$200 One Week Challenge form with any checks or money orders payable to Apraxia Kids. Do not send cash.

If you want to engage your team members, then share this challenge with them and ask them to start their own \$200 One Week Challenge. For example, challenging five team members to participate means you could potentially raise \$1000 in one week!

Finally, if team members do not want to complete the whole challenge themselves, then ask if they would commit to completing just one of the tasks outlined below as a part of your challenge! It would allow them to still be involved, take some pressure off of you, and help you to reach your goal of finishing this challenge!

Print this PDF to keep track of your efforts on page 2.

\$200 One Week Challenge

Participant's Name: _____

Walk for Apraxia City/State/Location: _____
