

LOOKING FOR PARENTS OF CHILDREN WITH COMMUNICATION DISORDERS

THE OHIO STATE UNIVERSITY
CRANE CENTER FOR EARLY CHILDHOOD
RESEARCH AND POLICY

The Crane Center for Early Childhood Research and Policy is looking for parents of children with communication disorders to participate in research through answering a short survey.

WHO

- Parents of children with communication disorders between 5 and 13 years old

WHAT

- Complete an online survey asking about levels of stress and stress management techniques parents may use
- Takes 15 minutes to complete

WHY

- To gain insight into prevalence of stress among parents of children with communication disorders
- To explore different ways to manage stress

WHEN

- The survey will remain open until June 30, 2021
